UC Davis Core Campus, Hutchison Drive near California Avenue; Yolo County

Project Location (include county)

Project Description:

UC Davis will construct a new bus terminal to serve up to 17 busses primarily for the Unitrans transit system. The project will include removal of an existing parking lot and removal of trees around the parking lot. Improvements for the project include installation of new landscaping, lighting, sidewalks, and bike racks to serve the new bus terminal. The project will take place in the Spring, Summer, and Fall of 2008.

This is to advise that the University of California has approved the above described project on January 24, 2008 and has made the following determinations regarding the above described project:
