Project Title: West Village Implementation Plan/Amendment to the 2003 UC Davis
 Long Range Development Plan

Project Location: West campus, University of California Davis, Yolo County

Project Description: The West Village Implementation Plan (WVIP) provides the detailed framework for implementing the Neighborhood Master Plan (NMP) adopted by The Regents in November 2003 as part of the 2003 UC Davis Long Range Development Plan (LRDP). The West Village neighborhood located west of State Route 113 and south of Russell Boulevard includes housing for students, faculty, and staff as well as recreation areas, open space, retail space, and educational uses.

The NMP was evaluated in Volume III of the UC Davis 2003 Long Range Development Plan Environmental Impact Report (LRDP EIR) which was certified by The Regents of the University of California in November 2003. Since that time, the campus and a developer team have continued to refine the details of the West Village plan. As a result of the detailed planning included in the WVIP, the previously approved neighborhood has been reduced in size and slightly reconfigured. The 2003 LRDP has been amended to reflect these changes. Addendum #1 to the LRDP EIR was prepared to evaluate these changes.

The Fish and Game fee was paid at the time of the certification of the LRDP EIR (SCH #2002102092) in November 2003.

This is to advise that the University of California (Lead Agency Responsible Agency) has approved the above-described project on November 14, 2006, and has made the following determinations regarding the above-described project:

1. An Addendum #1 to the 2003 UC Davis LRDP has been prepared pursuant to the provisions of CEQA and together with the 2003 LRDP EIR, fully analyzes the impacts of the project.
2. Mitigation measures [were were not] made a condition of the approval of the project.
3. A mitigation reporting or monitoring plan [was was not] adopted for this project.
4. A statement of Overriding Considerations [was was not] adopted for this project.
5. Findings [were were not] made pursuant to the provisions of CEQA.

This is to certify that Addendum #1 to the 2003 LRDP EIR with comments and responses and record of project approval is available to the General Public at: Office of Resource Management and Planning, 376 Mrak Hall, University of California, Davis, CA 95616, Attn: Sid England, (530) 752-2432.
