

Hazardous Waste Disposal Services

UC Davis provides periodic, no-cost collection services in selected residential areas of the campus to safely manage disposal of materials that cannot be tossed away as trash for landfill disposal.

Items Accepted for Collection:

acids	medical or infectious waste	pool chemicals
antifreeze	(biohazard and/or controlled substances)	propane tanks
automotive products		solvents
brake / transmission fluid	mercury thermometers	syringes (containerized)
fireworks	paint, oil, and latex	unknown cylinders
fire extinguishers	pesticides & herbicides	unknown substances
fluorescent bulbs & tubes	pharmaceuticals (non-controlled)	used motor oil & filters
gasoline & flammables		
household cleaners	poisons	

Please do not mix wastes together

For questions regarding other hazardous waste materials, please visit <http://safetyservices.ucdavis.edu/>
