UC DAVIS

LONG RANGE
DEVELOPMENT PLAN

2003-15

prepared by Moore Iacofano Goltsman, Inc.
for the UC Davis Office of Resource Management and Planning

OCTOBER 2003
Acknowledgments

Thanks to the members of the LRDP Task Force, a group representing diverse campus constituencies. The LRDP Task Force met numerous times during the planning process to review and discuss the development of the LRDP policies and land use plan. Thanks also to those members of the public who took the time to participate in the process and share their views with the University. The 2003 LRDP was developed, written and designed by the Office of Resource Management and Planning, with the help of the Consultant Team.
